

Go Green in Marlboro

Make every day Earth Day. Join the Marlboro Township Green Team as we partner with you, our residents and *Trex* for a unique recycling opportunity to reduce the waste associated with single use plastics. Plastic bags are not permitted in curbside recycling, but we have a solution!

Recycle your clean, dry plastic bags at several municipal locations

including Marlboro Town Hall (entrance open 24/7), the Recycling Center and the Recreation Center when open. See graphic for what else can be recycled through this program and used to create *Trex* decking material.

Help us collect 500lbs of plastic bags, preventing over 40,000 bags from going in the landfill. We win a *Trex* bench to be proudly enjoyed by all on town property and bragging rights for doing the right thing! Thanks from the Marlboro Green Team.
