

MAYOR'S SENIOR ADVISORY COMMITTEE SEEKS SPECIAL SENIORS

A plaque has been installed in the Marlboro Recreation Center in memory of Bernice Brownstein, a former member of the Senior Advisory Committee, who exemplified the true spirit of volunteerism and selflessness. This plaque will periodically recognize seniors who have made outstanding and/or ongoing contributions to the good and welfare of citizens in Monmouth County. Recipients of The Bernice Brownstein Senior Volunteer Award will have their names engraved upon the plaque.

The Advisory Committee is asking for nominations from the community, family members, and organizations. The nominee should meet the following criteria:

- a) A resident of Marlboro who is at least 60 years of age.
- b) A person/group who has provided community service above and beyond what would normally be expected.
- c) A person/group who has initiated and/or served in a leadership capacity in a community project.
- d) A person/group whose activity has impacted the lives of many in the community.
- e) A person/group who has made a personal sacrifice to benefit others.

It is not necessary for the nominated recipient to meet all of the above criteria.

Applications for nominations are available in the Marlboro Recreation Center Senior Office, 1996 Recreation Way, and Marlboro Administration Building, 1979 Township Drive.
